Sir,

In the estimates for works required in connection with the Viceroy's Visit, the fitting up of lights to four empty posts in the Lal-Bagh and to the gates were included.

2. As estimates were required to be submitted without delay, the details could not be got from the Electric Department and the sums provided were based on the supposition that Henry cable would do for the whole underground length as well as above ground and that globes might be used from stores. The actual estimates of the Electric Department, however, came to ₹.800+1,500 so that, ₹.1700/- are required in addition to the ₹.600/- already sanctioned. As Their Excellencies are to visit the Lal-Bagh in the evening, it is very urgent that proper light arrangements should be made and I earnestly solicit sanction.

I have the honour to
Sir.
Your most obedient servant,

Superintendent.

To

The Superintendent,

Government Gardens.

Sir,

With reference to your letter --- No. 850 dated the 29th September 1923 -- forwarding two estimates amounting to Rs.2,300 for lighting arrangements in -- the Lal Bagh and requesting sanction to an additional grant of Rs.1,700 for the purpose, I am directed to state that as the provision of lights to the Lal Bagh is not absolutely necessary so far as -- the Viceregal Visit is concerned and as the finances cannot stand the strain the -- proposal cannot be sanctioned. If -- however, the work can be done by a re-adjustment of the grant already placed at -- your disposal Government would be prepared to sanction the proposal as it -- would be a permanent improvement to the Lal Bagh and would be appreciated by -- the public. The estimates received with your letter are herewith returned.

I have etc.,

For Chief Secretary to Govt.
